

Blackhills Campsite

The Perfect Location

Agreement between Blackhills Scout Campsite & _____ (JANUARY 2010)

Blackhills Scout Campsite have a huge pride in the improvements made in recent times and thank you for your booking, however due to some unfortunate parties in the past, from 2005 we require your signed agreement to the following clauses, please return this form along with your booking form and deposit.

1. The full settlement of £ _____, to our BOOKING SECRETARY, and must be received a minimum of **2 calendar weeks before your booking date**. Failure will mean no access or your booking dates will be re-offered to other interested parties.
2. Unless specifically agreed, and subject to any additional charges, the week-end rate allows entry to buildings from 6.00 p.m. Friday and departure by 4.00 p.m. Sunday.
3. Upon arrival, check that everything is in a satisfactory condition including the kitchen inventory, toilet hygiene, and cleanliness generally. Please agree with the warden, any discrepancies that you find, as it will be expected that the building will be in a like condition (or better) upon your departure. You will be issued with a "building check list" for this purpose.
4. We have high energy costs so Please **TURN OFF** unnecessary lights (bedrooms etc.) and the heating once a sustainable temperature has been reached..
5. The group / leaders as a whole, agree not to leave site at the end of your stay until the building is inspected and its condition agreed. We suggest you agree a time for this earlier in your stay.
6. Any displays or at seasonal times can only be hung on walls using 'blu-tac' or similar, **No drawing pins or two sided tape please**, .
7. Folding tables are for dining use, other older tables are available to borrow (Cub shelter) and must be returned before leaving. Chairs are **NOT** for outside use, Older stacking chairs again, are available to borrow and for return again to the shelter before leaving.
8. All flammable waste items **MUST** be burnt as directed by the Warden or disposed of along with any environmental material disposal by the group to the Metropolitan Council waste depot, in Wagon Lane, Bingley (approx 2 miles).
9. Smoking is **not permitted** under any circumstances inside any buildings and the group will ensure any outside areas used for smoking are cleared before leaving.
10. Buildings and any of the site toilet facilities must be kept in a clean & hygienic condition by the group throughout the booking. The **fridge, oven & all surfaces must be hygienically clean before leaving**.
11. In the event of non compliance of any of the above, Blackhills will advise you within 7 days, and of the costs to 'put right'. Your group agrees to immediate settlement of these costs, along with acceptance of cancellation for any future week-end bookings made with the site. Any deposits already taken for these dates will be refunded and the dates re-offered.
12. **ABSOLUTELY NO BALL GAMES IN THE BUILDINGS**

For safety's sake of the children, PLEASE observe our 5 m.p.h. sped limit.

We believe that we offer a 'friendly' site, offering "Progress with traditional facilities" and the above are reasonable common sense clauses, introduced because of the 'few' who have abused the site and its facilities previously. The management will be happy to discuss these further by contacting 07710 548423.

Thank you for your co-operation
